

1987 Ford Tempo. Answering America's Driving Needs.

When you're looking for a trim-size car with room, comfort and maneuverability, the 1987 Ford Tempo could be just the answer. Available in 2- and 4-door bodystyles with room for 5, Tempo delivers such outstanding features as 4-wheel independent suspension, power steering, power front disc/rear drum brakes, responsive powerteams, reclining front bucket seats, luxury-level sound insulation, all-season radials and much more. And new for 1987 is Tempo with all-wheel drive that lets you shift "on the fly" or standing still. To see how closely Tempo responds to your driving needs, take a close look at one soon. At your Ford Dealer.
